I received an error. Am I supposed to enter a different access code in one of the boxes or the same access code in both boxes? Thanks again for your help!

Dear NicoleFeltes,

A new application has been developed to monitor the newly awarded Alternatives to Abortion contract. Effective November 1, 2016, Alternatives to Abortion contract participants must enter all data in the new application. If you do not have a Missouri Login (MoLogin) account you must create one before you can use the application.

To create an account:

1. Go to the Missouri Request Account Page at https://apps1.mo.gov/MoAccount/RequestAccount.aspx .
2. Enter the email you want to use as your account ID.
3. Check the box indicating you agree to the terms and conditions.
4. A confirmation code will be sent to the email address you provided. The email will include a link to the page you need to enter the details. (Note: If you did not close the page where you entered your email you will be able to enter the confirmation code on this screen.)
   a. Email – The email from line two above.
   b. Confirmation Code – Enter the confirmation code sent to your email address. Note: The confirmation code expires in one hour
   c. Password – You password of choice. Do NOT use your email password. Click the Password Help button for password rules.
   d. Password Confirm – Enter your password of choice again.
   e. First Name – Your first name.
   f. Last Name – Your last name.
   g. Once the above information is completed, click the Create Account button.

Once you have created your account, log into the Alternatives to Abortion Application:

1. Go to https://apps1.mo.gov/Alternatives. The MoLogin page will appear.
2. Log in with the email address and password you just created above.
3. On the page provided:
